

We Need Sponsors!

We need your help. When putting on a musical, there are many expenditures like materials, supplies, and rental expenses and I would like to purchase official cast and crew t-shirts for the students. I need help in soliciting financial contributions. We have levels of contributions for any individual or business that would like to contribute (please see below).

All proceeds collected will help to offset some of the production costs (i.e. licensing costs, materials, supplies, etc.). As always, all financial donations are tax deductible.

You can make as many copies of this form as you need. Please send all sponsorships in an envelope labeled, **Attention: Jamie**. Please contact me if you need additional information. Once again, thank you for all that you do!

God Bless,

Jamie

Jamie Monette, Director of Student Services
