Box Tops for Education

The Box Tops for Education program, founded in 1996, is a General Mills initiative that allows families to redeem labels from eligible food and household products for 10-cent contributions to their schools. Over the past 25 years, the program has given nearly \$1 billion to schools nationwide. In the summer of 2019, General Mills announced that the program was "saying goodbye to old-school clipping and going digital." Physical clippings are being phased out of production, though families can still bring in any unexpired ones they find on old packaging. Please be sure to get the app and scan your receipts! You can even forward your receipt from a grocery pickup. Don't forget to check expirations on labels that you cut out. Check out their website for more info! <https://www.boxtops4education.com/>

Community Coffee Cash for Schools

The Community Cash For Schools® program supports participating schools that collect Proofs of Purchase/labels from Community® products. At SBS, these labels are redeemed for money which we use for fun events that our PTO puts on. The more Proofs of Purchase saved and turned in by your school, the more your school can earn. There is no limit to what your school is able to earn each year and the labels do not expire! St. Bernard School has been rewarded with top school in the Acadiana area for many years! SBS 4H Pull Tabs and SBS Athletics Coca Cola Reward Program

These two programs do not benefit our SBS PTO but are for an amazing cause as well! Save the pull tabs from your beverage cans (pop/soda, beer, energy drinks, soup cans, or anything with a metallic tab) and send them to school on our Free Money Reward Collection Days for our 4H club to benefit the Ronald McDonald House charity. Be on the lookout throughout the year for our SBS Athletic Coca Cola Reward Program to benefit our Athletic Program! .
