# Bag Lunch Guidelines

Food and Nutrition Services strive to promote a healthy nutrition environment in your child's cafeteria. We ask that parents are mindful of what is packed in lunches from home as certain items can cause distraction in the lunchroom.

## **Foods ENCOURAGED to be packed in a lunch from home:**

### **Fresh fruits and vegetables:**

Cutting and portioning fresh fruits and vegetables are a great way to encourage your child to eat and enjoy more fresh produce

### **Whole grains:**

Whole grains versus enriched, processed grains will provide your child with fiber while keeping them full longer. Some examples of whole grains include whole grain sandwich bread, wraps, pita, crackers, pasta, and cereals.

### **Protein:**

Examples include turkey, chicken, roast beef, ham, tuna, hard boiled eggs, Greek yogurt, and beans/legumes. For the safety of our students with allergies, we ask that you do NOT send your child to school with any peanuts or nut products.

### **Beverages:**

Low fat milk, 100% fruit juice, or water can be packed from home or are available for purchase in your child's cafeteria.

### **Leftover meals:**

Leftover home-prepared meals can provide a nutritious meal that your child will enjoy.

## **Foods that are NOT allowed in your child's cafeteria:**

### **Peanuts and foods containing nuts:**

Many students are sensitive or have life-threatening allergies to peanuts and nut products. Please do NOT send your child to school with foods containing nuts.

### **Candy:**

Foods of minimal nutritional value can cause distractions in the cafeteria. We kindly ask that you save candy for after school.

### **Chips:**

Many chips are high in saturated fats and sodium. Look for baked varieties or whole grain crackers instead.

### **Soda, Sweetened Beverages:**

Sodas or sweetened beverages are typically high in sugar content with minimal nutritional value. These drinks can cause distractions in the cafeteria.

### **Fast Foods:**

Please refrain from sending your child to school with fast foods. Fast food packaging and logos are prohibited in the cafeteria per USDA guidelines.

When packing your child's lunch from home, use ice packs or a thermos when appropriate in order to keep cold foods cold and hot foods hot.

# LUNCH FAQ

1.

## How do students pay for lunch?

All lunch charges are done digitally. Parents may track and pay for their child's lunch purchases by setting up an account on [myschoolbucks.com](https://myschoolbucks.com). Even if it is the plan for students to bring lunch every day, we ask that families still create an account in the event that something is purchased.

2.

## Are students still allowed to apply for free or reduced lunch pricing?

Yes, families may apply for free or reduced lunch pricing each year. The application can be found on the FNS website under Parent Resources.

3.

## Is there a lunch menu to review?

Yes, FNS will produce a monthly lunch menu. These can be found on their website; however, we will also post and send them out via email, our website, and social media.

4.

## What if my child has special dietary needs, but wants to still eat lunch at school?

Families need to complete the "Diet Modification" form so FNS can evaluate a student's needs and accommodation options. The Google form for "Diet Modification" can be found on the FNS website under Parent Resources.

5.

## Are there any guidelines for the types of food that can be brought to school?

Yes, Food and Nutrition Services partners with the USDA, which requires clear guidelines that must be followed in the cafeteria. Bag lunch guidelines can be found on the homepage of the FNS website. It is the green flyer.

6.

## What is considered a brand-name label?

All food should be sent to school in containers or bags without any brand-name logos. Prepackaged food purchased at a store should be removed from its packaging and sent to school in other containers. Food that is made to order outside of campus should be free of any packaging, including labels or marketing materials of the place of purchase.

7.

## Do waters or juice boxes need to be free of brand-name labels?

Simply due to the restrictions of transporting liquids, juice boxes and water bottles with marketing on them will be allowed to be sent to school.

8.

## Can my child purchase food even if they bring a lunch?

Yes, all students are allowed to purchase food in the cafeteria; however, students should have money in their account set up on [myschoolbucks.com](https://myschoolbucks.com) before making any purchases.

9.

## What is the Lagniappe Line?

New this year, FNS has rolled out greater options and variety for our students to choose from! Most days, there will be a "Line 1", which will serve the main meal for the day, and a "Lagniappe" line. Items in the "Lagniappe" line can be paired with the meal from "Line 1". Lagniappe items may be bought a la carte (individually), or a student may purchase all the items as a meal.

10.

## Do students have to purchase the Line 1 meal to purchase something from the Lagniappe line?

No, students can purchase only items from the Lagniappe Line if they wish.

11.

## Is the cafeteria still offering ice cream this year?

Yes, the ice cream schedule has been added to the school's public online calendar. As a good rule of thumb, third through eighth-grade students may purchase ice cream every other Friday, and our three-year-olds through second-grade students may purchase ice cream on a scheduled Friday a month. The first Friday for ice cream purchase for 3rd – 8th grade will be Friday, August 15, 2025. The first Friday for ice cream purchase for PK3 – 2nd grade will be Friday, August 29, 2025.

12.

## How do I know what my child is buying in the cafeteria?

You can monitor your child's purchases via an online account that you can set up on [myschoolbucks.com](https://myschoolbucks.com).

13.

## If I don't want my child to purchase items from the cafeteria, is there a list I can add them to?

We ask that all parents please speak with your child(ren) about your family's expectations and desires for lunch during the school day. Currently, we do not have a list for those not to purchase lunch, thus it is important to set up a [myschoolbucks.com](https://myschoolbucks.com) account so you can actively monitor if and what your child is purchasing.

Dear Parents,

The following forms need to be updated on RenWeb: **Student Demographic, Student Medical, Custodial Parent, Emergency Contacts, Transportation, T-Shirt Size, and the Grandparent's Form.** To update these forms, click on the *Web Forms* Tab under the *School Information* Tab. It is imperative that all forms are updated. Note: Please pay special attention to the Medical since this is where you will list all of your child/children's allergies or special needs. The Grandparent's Form will be used for invitations to special events; this includes step-grandparents and great-grandparents. Parent Alert is one of the functions in RenWeb that allows us to text/call parents with information. We will use this function for any important information especially for School Closures. Please note that this is a one-way communication tool. If you reply to the text, we will **not** receive it. **In order to make sure that you get these notifications, make sure to update your preferences on the bottom of the Custodial Parent Form. The last option is confusing. It says Parent Alert: No Text: Yes or No. Choosing Yes means you DON'T want a text.**

**You are responsible** for making the updates. Make sure to click save when you are finished with your updates. Please only save each form once. If changes need to be made in the future, simply access the *Web Forms* tab and make your corrections. RenWeb will notify SBS (on Sunday's) that changes have been made and we will print the updated form for office use.

Remember, your child's grades, etc. can be accessed through RenWeb. All other information will be on the school website, [www.sbcrusaders.com](http://www.sbcrusaders.com). On the second school day of each week, Ms. Jamie will send out an email including all memos. You can also go to the website, [www.sbcrusaders.com](http://www.sbcrusaders.com) to see all memos. Memos can be accessed under the Parent Tab. The school calendar with upcoming events is also on the main Parent Tab.

SBS receives government funding every year through the Title I program. We utilize this money to provide Title I/Intervention services for our students. TITLE I FUNDING IS DETERMINED BY THOSE THAT APPLY AND QUALIFY FOR FREE AND REDUCED LUNCH EACH YEAR. WE ARE ASKING THAT ALL HOUSEHOLDS GO ONLINE TO [www.myschoolapps.com](http://www.myschoolapps.com) AND COMPLETE AN APPLICATION IF THEY QUALIFY SO THAT WE CONTINUE TO RECEIVE OUR TITLE I FUDNING. Thank you in advance for your assistance.
