Reward Program

ST. BERNARD
ATHLETICS

Dear family & friends,

Lafayette Coca-Cola Bottling Company is pleased to have the opportunity to work with St. Bernard School once again to help raise funds for our Athletic Program. This fundraiser allows students to sell cases of Coca-Cola products to their family, friends and our community. St. Bernard School Athletics will earn 10% of all cases sold while you get a great deal as well! It's a win win. Our cost is less than what stores pay to purchase these same products which are marked up in stores.

We have been VERY successful with our Coke Reward Program. In 2022/2023, we purchased our brand new Scoreboard! In 2023/2024, we added a Hydration Station & upgraded the gym lighting! Our 2024-2027 sales funded a fresh new paint job for the gym & bleachers! This year's profits will finish off the gym painting project payment. It's all possible because of YOU! When our Crusaders come together, there's nothing we can't accomplish!

Please see the official order form and flyer to see all of the products offered and pricing. All orders and payments should be turned in by **Wednesday- September 23, 2026**. Please make all checks payable to St. Bernard School. Our product pickup day is **Wednesday- September 30, 2026**. Parents are responsible for distributing the products their children have sold. Please return any empty crates to school for us to make extra profit. The Top Seller will win a Wireless Karaoke Machine!

Lafayette Coca-Cola and St. Bernard School would like to thank you for aiding in our fundraising goals for the future of our Athletic Program.

Free Money Rewards

The money earned from these programs are used for our SBS PTO to put on amazing events such as the Boo Bash, Blessings & Bowling, Father/Daughter Dance, Academic Pep Rally Prize Patrol, Staff Inservice & Retreat Lunch, Monthly Staff Birthdays, Staff Appreciation Week & Field Day

Box Tops for Education

The Box Tops for Education program, founded in 1996, is a General Mills initiative that allows families to redeem labels from eligible food and household products for 10-cent contributions to their schools. Over the past 25 years, the program has given nearly \$1 billion to schools nationwide. In the summer of 2019, General Mills announced that the program was "saying goodbye to old-school clipping and going digital." Physical clippings are being phased out of production, though families can still bring in any unexpired ones they find on old packaging. Please be sure to get the app and scan your receipts! You can even forward your receipt from a grocery pickup. Don't forget to check expirations on labels that you cut out. Check out their website for more info! <https://www.bboxtops4education.com/>

Community Coffee Cash for Schools

The Community Cash For Schools® program supports participating schools that collect Proofs of Purchase/labels from Community® products. At SBS, these labels are redeemed for money which we use for fun events that our PTO puts on. The more Proofs of Purchase saved and turned in by your school, the more your school can earn. There is no limit to what your school is able to earn each year and the labels do not expire! St. Bernard School has been rewarded with top school in the Acadiana area for many years! For more info head to their website <https://cashforschools.communitycoffee.com/>

SBS 4H Pull Tabs

This program does not benefit our SBS PTO but is for an amazing charity! Save the pull tabs from your beverage cans (pop/soda, beer, energy drinks, soup cans, or anything with a metallic tab) and send them to school on our Free Money Reward Collection Days for our 4H club to benefit the Ronald McDonald House charity.

The Box Tops for Education program, founded in 1996, is a General Mills initiative that allows families to redeem labels from eligible food and household products for 10-cent contributions to their schools. Each Box Top is worth 10 cents to a participating Box Tops school. Box Tops can be earned from receipt scans or traditional Box Tops clips. Bonus Box Tops certificates or Bonus Box Tops offers, when available, are usually worth more than that.

Look for the Box Tops logo on hundreds of products! Download the Box Tops app, shop as you normally would, then use the app to scan your store receipt within 14 days of purchase. The app will identify Box Tops products on your receipt and automatically credit your school's earnings online. Keep clipping regular Box Tops and sending them to your schools as long as you continue to find them on packages. (Don't send in the new Box Tops icon used to mark products that are eligible for Box Tops earnings via receipt scan in the new Box Tops App.) If you do a grocery pickup or shop online you can take screenshots of your receipt and upload them in the app!

Explain the Box Tops for Education program to your friends and family highlighting how much it benefits us at SBS. Encourage them to purchase products that participate in the Box Top program! Ask them to clip any Box Tops that they might see! Demonstrate how the app works. Show them how to scan or forward receipts. Continue to post on social media to keep the program top of mind.

You can give credit to your child's homeroom for them to win the class party! Here's how: The "credit" button (star icon) shows after you take first image. A blank field appears that allows up to 50 characters to be typed. Here is where you type your child's homeroom teacher. This field will auto-fill after the first entry; make sure to update it if necessary (such as if someone is supporting more than 1 child at same school, etc.).

Here's how to "give credit" on a digital receipt: Once your forwarded digital receipt has been sent, look under "My Earnings" section in the app (click on the line that says "You've earned \$x.xx since Year" to get to "My Earnings"). Next click on the receipt you'd like to give credit on. Within the receipt detail screen you may need to scroll to see a button for "Give Credit" or a field called "Credit" with the last memo you entered. You can go back and assign credit to earnings up to 14 days after the scan date. If you do not see the "Give Credit" button, those earnings either have credit already assigned or are not eligible to give credit (such as Bonus app earnings or Customer Service Adjustments).

WHAT IS THE COMMUNITY CASH FOR SCHOOLS® PROGRAM?

WHAT IS THE VALUE OF EACH PROOFS OF PURCHASE?

WHERE CAN I FIND PROOFS OF PURCHASE?

HOW CAN I HELP MAKE THE MOST OUT OF THIS PROGRAM?

CASH FOR SCHOOLS

The Community Cash For Schools® program supports participating schools that collect Proofs of Purchase from Community® products. These product Proofs of Purchase can be redeemed for cash that each school can spend at its discretion. There are no stipulations on how the money is spent. Schools can choose to allocate the money toward new textbooks, computers or even events. This program is entering its 30th year and to date it has helped participating schools generate over \$7.4 million!

The value of each Community® Proof of Purchase point is 10 cents. The more Proofs of Purchase saved and turned in by your school, the more your school can earn. Last year 94 schools earned \$1,000 or more and the highest amount earned was \$5,215.

On most Community® coffee products, there is a Proof of Purchase (POP) coupon with a point value. The point values range from one to five depending on the product. Most coffee products, tea products, creamer, sugar and coffee filters contain eligible proofs of purchase.

Everyone in your school community can help contribute earning cash for your school! Engage your community members to help maximize savings and reach your school goal. Reach out to restaurants, hotels, offices and businesses. Boxes of coffee and coffee related products delivered to these contain high value Proofs of Purchase.
